Section 2

The purpose of this GIS is to notify Social Services Districts (districts) that there might be discrepancies with the remittance they will be receiving from the quarterly settlement for the Lottery Intercept Match, for the period of April 2024 – June 2024.

Section 3

We have identified issues with the information in the Lottery Intercept Reports that have been sent to the districts beginning in May 2024. We are working to provide interim reports that will address these issues and allow districts to accurately reconcile the remittances. If your remittance does not yet reconcile, please wait to receive interim reports.
