Section 2

The purpose of this GIS is to notify Social Services Districts (districts) of an update to GIS 25DC019, regarding possible discrepancies with the remittance received from the quarterly settlement for the Lottery Intercept Match, for the period of April 2024 – June 2024.

Section 3

We previously issued GIS 25DC019 informing districts that they would be receiving interim reports to address issues with the information in the Lottery Intercept Reports that have been sent to the districts beginning in May 2024.

If we had identified such issues for your district, you will be receiving interim reports for May and/or June 2024. These reports will be uploaded to SharePoint, and an email will be sent to the district contact notifying them that the reports are available and how to access them. When you receive an interim report, please use the information to supplant the information that was included on the previous Lottery Intercept Reports for that month. The information on the interim report(s) should override the prior information.

If there are discrepancies with your settlement remittance and you do not receive an interim report by May 9, 2025, please email Rebecca Lynch at Rebecca.Lynch@otda.ny.gov.
